

PROJECT COMMUNICATION PLAN

Team ID: SWTID-2026-3238 | Project Name: PocketSmart AI | Track: AI-ML & Generative AI

1. Internal & Stakeholder Communication Channels

- **Team Standups:** Daily 15-minute syncs across Discord/Google Meet for blockers and API contract alignment.
- **Version Control & Reviews:** GitHub pull requests with required code reviews for backend routes and UI templates.
- **Mentor / Faculty Updates:** Structured phase-wise documentation reviews ensuring adherence to SmartBridge rubrics.
